Travel is fun and exciting. There are some things you should know when you travel.

Travel should be a way to relax. But very often it's not. You may spend most of your time travelling to so many places. After this, you may feel exhausted. And you may feel terrible after a few hours. When travelling, you should sometimes stop walking and sit down for a few hours in a nice place.

Good sleep is also important during your trip. You may have problem sleeping at night, so it is important for you to find a comfortable bed. In many cities, the night life can be very exciting. If you want to stay out late at night, be sure to sleep for an hour or two during the day.

Finally, good eating is important when you're travelling. To keep healthy, you should eat different kinds of food and care about (留意) how much you eat. Too much food is not good for you.

31. What does the underlined word "exhausted" mean in English?

- A. tired B. excited C. surprised D. bored

32. How can you keep yourself healthy when travelling?

- A. By sitting down for very long time
B. By spending too much money buying travel products
C. By sleeping for an hour or two at night
D. By eating different kinds of food but not too much

33. Which of the following is not true?

- A. Good sleep is not so important during your trip.
B. It is important to find a comfortable bed during your trip.
C. If you want to stay up at night, be sure to have a noon break.
D. Good eating is important when you're travelling.

34. According to the passage, how many things should you know when travelling?

- A. one B. two C. three D. four

35. What's the best title for the passage?

- A. How to make your travel interesting
B. How to keep healthy during travelling
C. How to have healthy food when travelling
D. How to stay up during the travelling

B

The summer vacation should be a time of fun. But more and more university students in China keep themselves busy doing “social practice”.

Internships

Cao Li, 22-year-old, spent fourteen days working in Iron and Steel Works during summer internship. For most of the days, he had to stand the high temperature and loud noise. But he thinks the experience wasn't helpful at all because he will never work as a steel worker. Compared with him, his classmate Tang Yao had a better summer experience. The young foreign language learner works for a French company in Shanghai.

Study tours in a foreign country

The saying “He that travels far knows much.” is popular in China. Many students use their summer vacation to go on study tours, often to a foreign country. Qi Di is one of them. In order to experience American culture, the 21-year-old girl at Zhejiang University visited a university of the US, on a two-week summer study tour. “I'm going to study in a foreign country after I leave Zhejiang University, so this tour allowed me to see the US from inside.” she says.

Teaching in the countryside

Xiong Wen, 21, spent one week in Shanxi province as a part-time teacher in the countryside school. “Of all the summer social practice I've done, I think it was the most meaningful.” she says.

36. How long was Cao Li's internship?

- A. two days. B. Two weeks.
C. Two months. D. Two years.

37. The underlined phrase “high temperature” in paragraph 2 means _____ .

- A.高薪 B.高分 C.高度 D.高温

38. For Qi Di, studying in the US for two weeks is _____ .

- A. useful B. boring C. difficult D. useless

39. Xiong Wen thinks _____ was the most meaningful social practice.

- A. working as a steel worker B. going to a foreign university
C. being a teacher in the countryside D. serving for a foreign company

40. What's the best title for the passage?

- A. Helpful study tours B. Funny summer vacations
C. Meaningless working experiences D. Different social practice
